

MAKE MORE MONEY - WHAT A SMART IDEA!

***Our Smart Bench™ will make you
\$100 - \$600 a month profit and
there's no investment required.***

Just place one of our patent-pending, illuminated Smart Benches™ in your store and start earning money every month.

We provide everything and handle all the details needed to turn your empty space into profits.

Our low maintenance metal Smart Bench™ is available in a 4' and 6' size with single or double ad options and is built for indoor and outdoor use. Bright LED lights use very little electricity and can last for 50,000 hours.

How the Partnership for Profits Works

The program is very simple, and we offer two ways for you to earn monthly profits.

1. We place our back-lit Smart Bench™ in your store, and we find a local business to advertise. Then we share that ongoing income with you!

- OR -

2. If you want to earn even more money, you just make a small investment and own the Smart Bench™. Then all the income earned goes directly to you . . . month after month. We provide you with full information on how to locate an advertiser. A key employee could even learn to manage this. With this approach, the full return on your investment should only take 5 - 6 months.

ABOUT OUR SMART BENCH™

We know there are other advertising benches available, but our unique Smart Bench™ is available in two convenient sizes and uses patent-pending backlighting technology to create an eye-catching picturesque background scene (mountains, beaches, nature, etc.) Then we overlay a simple advertising message from a local business to create something memorable.

This durable bench is not only customer friendly, it will complement any business environment with a professional design, sturdy construction, advanced lighting and bright, advertising graphics.

Why Invest in Our Smart Bench Program?

- Benches are customer friendly providing people visiting your store with a place to sit, check phone messages, plan their day or just get a quick rest.
- You make money from unused store space.
- Most advertisers are your local merchants or customers!
- We take care of the design and production of the custom advertising bench backer and guarantee the quality and durability of the construction and design of our new, unique, patent-pending Smart Bench.
- You earn from \$100 - \$600 profit per month!

Our bright, illuminated Smart Bench™ combines a beautiful, eye-catching background scene with a simple, uncluttered ad message designed to enhance the visual appeal of your commercial space while adding a monthly income from an unused area of your store.
